

ELECTRIC PENCIL SHARPENERS

January 2012

X-ACTO™ BOSTON 41

Heavy Duty Multi Hole Pencil Sharpener

Your favourite electric pencil sharpener may have had a design change but the heavy duty performance that teachers have come to rely on hasn't. Still the same reliable machine with a modern design & more pencil hole sizes

- The quickest & easiest way to make a perfect point
- This sharpener is built to last with solid all steel cutters by Xacto
- Just insert the pencil & it sharpens instantly
- Heavy duty sharpener for high volume use such as classrooms
- Pencil saver prevents over-sharpening. The cutters will disengage once the perfect point has been achieved (this is identified by a change in motor sound)
- Auto-restart thermal overload mechanism prevents overheating
- Adjustable guide allows sharpening of pencils of varying diameters 6.5mm, 7mm, 7.5mm, 8mm, 9mm & 11mm pencils
- **Designed for high volume classroom use**
- Dimension: 12.5w x 16.5h x 23d cm
